Welcome to Delaware E-ZPass Commercial Accounts Program!

The enclosed transponder(s) will allow you to pay tolls quickly and conveniently in Delaware, Illinois, Indiana, Kentucky, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Rhode Island, Virginia, and West Virginia — anywhere you see the *E-ZPass* logo. For nonstop toll payment, look for the dedicated ***E-ZPass Only*** lanes.

You will receive a monthly statement which will allow you to track your company's toll usage. The monthly statement will be e-mailed and the information in it can be exported into the format of your choice.

Commercial accounts, vehicles and transponder types are more complicated so they require the completion of a paper application. If you need to open an additional account, you may contact us at www.ezpassde.com, or call us and we will mail or fax you an application or you may visit our Customer Service Center at 22-24 W. Loockerman St., Dover, DE.

Additional transponders may be obtained at our Customer Service Center at 22-24 W. Loockerman St., Dover, DE, by contacting us on our web site (www.ezpassde.com), by fax (302-677-7274), or e-mail to ezcommercial@transcore.com. Commercial transponders are not available at the toll plaza walk-in centers.

In addition to the Main Service Center, the toll plaza walk-in centers do accept payment for your prepaid tolls.

This transponder kit includes:

- **Your *E-ZPass* Transponder(s)** – Locate the 11-digit transponder serial number on the front of your transponder above the barcode. This is your transponder number. Your transponder has enough self-sticking fasteners to affix it to one vehicle. If you need additional fasteners or any other supplies, contact us on our web site (www.ezpassde.com), e-mail us at ezcommercial.com, or call the Service Center at the toll-free number above.
- **“No Read” Bag** – A small electrostatic bag is included for each transponder. If, for any reason, you do not wish to pay your toll with your *E-ZPass* transponder, place the transponder in this bag well before you enter the toll lane and request a receipt for the toll.
- **Customer Information Sheet** – Verify that your account information is correct. You can make any necessary corrections on-line or call us at the Service Center at the toll-free number above. This would be a good time to write your vehicle license plate number next to the transponder number so that you know which transponder is mounted on which vehicle. This will be important if your transponder is ever lost or stolen.
- **Delaware *E-ZPass* Terms & Conditions** – The Terms and Conditions of your customer agreement are on the back of this letter. Please read them prior to using your Delaware *E-ZPass* transponder(s). By using your Delaware *E-ZPass* transponder, you agree with the Terms and Conditions.

Delaware *E-ZPass* Customer Guide is available for download on our Website, www.ezpassde.com. This guide includes installation instructions for your transponder; lists the facilities where *E-ZPass* can be used, explains how to access your account information, and answers commonly asked questions. A printed copy is available on request.

Replenishing Your Prepaid Account —

If you signed up for automatic replenishment, we will maintain your prepaid account balance for you by automatically charging your credit card or debiting your bank account when your account reaches its low balance amount. If your credit card/bank account information changes (i.e., a new account number or expiration date), please notify the Service Center immediately. If you choose to replenish your account by check, money order, or cash, it is your responsibility to maintain the proper balance in your prepaid account. If your account has no funds, you will not be able to use *E-ZPass* and may receive toll violations until your account is properly funded.

Thank you for joining Delaware E-ZPass!

If you have any questions about this kit or E-ZPass in general, call us at 1-888-EZPassDE.

You may also reach the commercial department at ezcommercial@transcore.com or visit us on the web at www.EZPassDE.com.
